The Kansas State Board of Education is dominated by a group that is out of touch with mainstream Kansans. The Kansas Alliance for Education (KAE; www.ksalliance.org) is a nonpartisan grassroots organization that promotes the election of candidates to the Kansas State Board of Education who support quality education for all Kansas children. If you share our frustration with the current majority and would like to help make a difference, we encourage you to join us!

Sponsored by the KAE, USD383 Families and the Red State Blues Band
